Prom-posals we ♥

## "I JUMPED OUT OF A PLANE!"

**Andrew + Chantelle**  
Toronto, Ontario, Canada

To ask his girlfriend to prom, Andrew wrote down all the things he loves about her on sticky notes. Then, he filmed himself skydiving with one more message: "Prom?" Finally, he convinced the principal to show the whole package in theater class. When the video ended, Andrew popped into the room, and of course, Chantelle said yes.

## "I HAD HER TAKE A FAKE POP QUIZ!"

**Daniel + Megan**  
Sacramento, CA

Less than two weeks before junior prom, Daniel wrote a fake quiz for World History and asked the teacher to hand it out, including a special one for Megan. Her extra credit question: "Megan, would you like to be... a) my valentine; b) my date to junior prom; c) my girlfriend; or d) all of the above?" Megan chose both a) and b), and to celebrate, Daniel gave her a giant pink teddy bear.

## "I ASKED A POLICE OFFICER TO GIVE HER A TICKET!"

**Zach + Reagan**  
Rock Hill, SC

Reagan joked that she'd say no if her boyfriend didn't ask her to prom in a creative way, so Zach convinced a police officer to pretend to pull them over for a traffic stop. The cop pretended to grill the teens about underage drinking, which totally freaked out Reagan. It wasn't until the officer handed her a ticket with "Will you go to prom with me?" written on it that she realized what was really happening.

## "I WROTE HER A POEM!"

**Josh + Stephanie**  
Boca Raton, FL

Stephanie loved to dance, so for his big ask, Josh created an original poem and got permission to write it out on the mirror in the dance team's rehearsal room. He also set up balloons and spelled out "PROM" in rose petals on the floor. When Stephanie walked in, she was so happy she dropped her books before saying, "Yes!"
